Dear Students and Parents/Guardians,

Re: Spanish Bilingual Program at Dr. E.P. Scarlett High School

The Calgary Board of Education is pleased to announce the opening of the first Grade 10 Spanish Bilingual program at Dr. E.P. Scarlett High School for September of 2013. The program is anticipated to expand to Grade 12 by the 2015-2016 school year.

The Calgary Board of Education remains fully committed to offering a Spanish Bilingual program at the high school level in the south part of Calgary. The cohort numbers are anticipated to increase each year in the classes following this initial group, and we are confident that a strong high school Spanish bilingual program will continue to be available. We will monitor numbers and registration on a yearly basis and keep parents and students informed regarding the plans for each graduating group.
